I got the package, thank you!

Kerry, would you please scan/email me a copy of the cover page for the
Work Plan (with your signature and date signed)? I need this for
Exhibit A.

(I'm attaching the map I emailed you as Exhibit B)

Kathy, would you please send me the final Work Plan? I can't route this
for concurrence until I have it (Exhibit A)

It is not (see Kerry's name) Document.pdf

You choose the map, Kerry - either print the one I sent or color copy the map from the WPlan & attach it as Appendix B part of the AOC you sign & FedEx.

THANK YOU!!

"Kathryn Hernandez" Its already dated.

If they're the same thing, can we use the one attached to the WPlan, so
Kerry knows what he's signing and Kevin can go home? I've seen plenty of
Site map attachments that don't have the lat/long right on them . . .

Re: map

Its really the same thing. Both are generated by Tetra Tech. Ours was
based on lat longs but both should represent the current soils boundary.

Why don't y'all include the approved Work Plan (including that cover
approval sheet w/3 signatures that Kathy has/will scan and send to you)
in the Fed Ex package along with the AOC? Does that work? Should I be
more demanding?

Oh and here's the map Kathy approved to be Appendix B which, again, you
may attach, or we will:
